

CONSUMER ADVISORY COALITION

Mission Statement

Consumer Advisory Coalition plays a vital role in our community by enabling voices of consumers to be heard, creating outreach, and supporting relationships between consumers, professionals, caregivers, and families.

Purpose Statement

The Consumer Advisory Coalition's purpose is to provide a voice and strong influence in the community to bring awareness and address stigma in behavioral health and substance abuse. By working directly with Region 1 Behavioral Health Authority to create support for those receiving care and their loved ones. The Consumer Advisory Coalition focuses on the well-being of those receiving care and advocates for better services for them. Made up of individuals dedicated to using their lived experience and voice with behavioral health and substance abuse services, they provide insight and direction to improve community awareness, access to services, and quality of care.
