

Consumer Advisory Coalition

**For Those With Mental Health & Substance
Abuse Lived Experience**

Join us in coming together to:

- Elevate voices
- Create awareness
- Fight stigma

The Consumer Advisory Coalition plays a vital role in our community with the mission to enable voices of consumers to be heard, create outreach, and support relationships between consumers, professionals, caregivers, and families. If you are interested or have questions you can reach out to David Jones at Region 1 Behavioral Health Authority.
